Case No. 3:17-cv-06779-RS

**JOINT DECLARATION OF THE TEZOS INVESTOR GROUP IN SUPPORT OF ITS MOTION
FOR CONSOLIDATION, APPOINTMENT AS LEAD PLAINTIFF AND APPROVAL OF
SELECTION OF COUNSEL**

1 We, the undersigned, pursuant to 28 U.S.C. § 1746, declare as follows:

2 1. We, Nicolas Andreasson, Paul Martin, and Richard Reckenbeil (collectively, the “Tezos
3 Investor Group” or “Group”), respectfully submit this Joint Declaration in support of the motion of the
4 Tezos Investor Group for consolidation, appointment as lead plaintiff (“Lead Plaintiff”) and approval
5 of selection of counsel (“Lead Counsel”) in the instant class action on behalf of investors in the Tezos
6 Initial Coin Offering (“Tezos ICO”) pursuant to the Private Securities Litigation Reform Act of 1995
7 (“PSLRA”). We are informed of and understand the requirements and duties imposed by the PSLRA.
8 We each have personal knowledge about the information in this Joint Declaration.

9 2. I, Nicolas Andreasson, live in Detroit, Michigan. I have owned a granite and marble
10 company for 20 years. I have been investing in cryptocurrencies markets for approximately four years.
11 I have a pre-existing friendship with Richard Reckenbeil which includes discussing and investing in
12 cryptocurrency investment opportunities. Richard Reckenbeil and I discussed investing in the Tezos
13 ICO during the Tezos ICO. As reflected in my Certification, I invested a significant amount of digital
14 currencies in the Tezos ICO during the Class Period and suffered substantial losses as a result of the
15 violations of the federal securities laws alleged in this action.

16 3. I, Paul Martin, live in Lexington, Kentucky. I work full-time as a cryptocurrency trader.
17 I have been investing in the cryptocurrencies for approximately two years. As reflected in my
18 Certification, I invested a significant amount of digital currencies in the Tezos ICO during the Class
19 Period and suffered substantial losses as a result of the violations of the federal securities laws alleged
20 in this action.

21 4. I, Richard Reckenbeil, live in Las Vegas, Nevada. I work in the cryptocurrency and
22 marketing industry. I have been investing in the digital currency markets for approximately one year. I
23 have a pre-existing friendship with Nicolas Andreasson which includes discussing and investing in
24 cryptocurrency investment opportunities. Nicolas Andreasson and I discussed investing in the Tezos
25 ICO during the Tezos ICO. As reflected in my Certification, I invested a significant amount of digital
26 currencies in the Tezos ICO during the Class Period and suffered substantial losses as a result of the
27 violations of the federal securities laws alleged in this action.

28 5. We believe that the securities class action against Dynamic Ledger Solutions, Inc., the

1 Tezos Foundation, and certain of their respective executives, owners, and directors is meritorious and
2 should be led by investors who are committed to maximizing the recovery on behalf of the Class.
3 Moreover, we recognize that we are like-minded investors who suffered substantial losses as a result
4 of our investments in the Tezos ICO. We also believe that the Class would benefit from a leadership
5 structure in which several persons jointly assume the responsibilities of a Class representative. It is for
6 these reasons that we decided to collectively seek appointment as Lead Plaintiff in the action.

7 6. We understand that the Lead Plaintiff role includes evaluating the strengths and
8 weaknesses of the case and prospects for resolution of this matter. As Lead Plaintiff, we will
9 communicate regularly with counsel and with one another by email and by telephone regarding major
10 litigation events, such as motions, settlement discussions, trial preparation, and trial. In furtherance of
11 this goal, we are connecting on social media and creating a group chat specifically to discuss the case.
12 We understand that it is our responsibility to direct counsel with respect to this litigation, after receiving
13 the benefit of counsel's advice. We intend to prosecute the litigation in a collaborative and cohesive
14 manner that is independent from counsel.

15 7. We do not anticipate that any disagreements between us will arise and agree to make all
16 efforts, in good faith, to reach consensus with respect to all litigation decisions, and to that end will
17 consult with our counsel as we deem necessary to fulfill our fiduciary obligations to the Class. In the
18 event that such a disagreement arises, we agree to resolve such disagreement by a majority vote.

19 8. In furtherance of our responsibilities as Lead Plaintiff, we participated in a conference
20 call to discuss, among other things: the strength of the claims against Defendants; a strategy for
21 prosecuting these actions; the benefits that the Class would receive from the leadership of a group Lead
22 Plaintiff; our shared desire to achieve the best possible result for the Class; our interests in prosecuting
23 the case in a collaborative, likeminded manner; and the actions that we will take to continue to ensure
24 that the Class's claims will be zealously and efficiently litigated.

25 9. We also understand and appreciate the Lead Plaintiff's obligations under the PSLRA to
26 select Lead Counsel and to monitor the action to ensure it is prosecuted efficiently. We have fulfilled
27 this responsibility by selecting and retaining Lead Counsel with a proven history of handling this type
28 of complex litigation. In this case, we selected Levi & Korsinsky, LLP ("Levi & Korsinsky") to serve

1 as Lead Counsel. It is our understanding that Defendants have significant financial resources and that
2 they are likely to vigorously litigate this action. For these reasons, we believe that the Class will benefit
3 from Levi & Korsinsky's resources and experience in achieving substantial recoveries in securities
4 class actions, and we agree that Levi & Korsinsky is well-qualified to represent the Class.

5 10. Levi & Korsinsky has been directed to prosecute this action in an efficient, cost-effective
6 manner while obtaining the best possible result for the Class. We will continue to supervise counsel
7 and actively oversee the prosecution of the action for the benefit of the Class by, among other things,
8 reviewing pleadings, instructing counsel, and/or attending hearings, as necessary.

The Restis Law Firm And Lite DePalma Greenberg File Class Action Challenging The Tezos Initial Coin Offering

NEWS PROVIDED BY

The Restis Law Firm, P.C. and Lite DePalma Greenberg LLC →

Nov 26, 2017, 19:42 ET

SAN DIEGO, Nov. 26, 2017 /PRNewswire/ -- The Restis Law Firm, P.C. and Lite DePalma Greenberg LLC ("Restis Law Firm" and Lite DePalma") today announced that a class action has been commenced on behalf of United States persons and entities that contributed bitcoin and/or ethereum to the Tezos Initial Coin Offering ("ICO"). This action was filed in the Northern District of California and is captioned *GGCC, LLC v. Dynamic Ledger Solutions, Inc. et al.*, No. 5:17-cv-06779 (<https://restislaw.com/current-cases-investigations/tezos-initial-coin-offering/>)

If you wish to serve as lead plaintiff, you must move the Court no later than 60 days from November 26, 2017. If you wish to discuss this action or have any questions concerning this notice or your rights or interests, please contact plaintiff's counsel William R. Restis at (619) 270-8383, or support@restislaw.com. You may also contact Joseph J. DePalma or Bruce D. Greenberg of Lite DePalma at (973) 623-3000, at jdepalma@litedepalma.com, or bgreenberg@litedepalma.com.

If you are a member of this class, you can view a copy of the complaint as filed at <https://restislaw.com/current-cases-investigations/tezos-initial-coin-offering/>. Any member of the putative class may move the Court to serve as lead plaintiff through counsel of their choice, or may choose to do nothing and remain an absent class member.

The complaint charges that Dynamic Ledger Solutions, Inc., Tezos Stiftung (a/k/a the Tezos Foundation), Kathleen Breitman, and Arthur Breitman engaged in an unregistered offering and sale of securities in violation of Sections 5, 12(a)(1) and 15 of the Securities Act of 1933, 15 U.S.C. §§ 77e, 77l(a)(1) and 77o.

Tezos founders claim it is a "decentralized blockchain that governs itself by establishing a true digital commonwealth." Tezos was marketed as potentially solving major limitations of bitcoin and ethereum by "letting participants directly control the rules of the network." Tezos is purportedly "designed to evolve, so that the next generation of ideas doesn't have to start over as a new blockchain."

The complaint alleges that the Tezos ICO was an offer and sale of "securities" to United States investors. As such, the defendants were required to file a Registration Statement with the Securities and Exchange Commission. No Registration Statement was filed, and no exemption from registration was available. Accordingly, Plaintiff seeks to recover bitcoin and ethereum contributed to the Tezos ICO, along with any corresponding appreciation in value of those invested assets, or the equivalent in monetary damages or restitution.

The plaintiff is represented by the Restis Law Firm and Lite DePalma, two firms with extensive experience in prosecuting investor class actions. For over a decade, William Restis has been litigating complex, multi-district, and multi-party class actions. Please visit <https://restislaw.com/> for more information.

Lite DePalma Greenberg is widely recognized as a leading law firm advising and representing U.S. and international investors in securities class actions. Lite DePalma's extensive class counsel experience is listed at <http://www.litedepalma.com/class-action-law-firm>.

ABOUT THE FIRM

Levi & Korsinsky, LLP is a national law firm with decades of combined experience litigating complex securities, class, and consumer actions in state and federal courts throughout the country. Our main office is located in New York City and we also maintain offices in Connecticut, California, and Washington, D.C.

We represent the interests of aggrieved shareholders in class action and derivative litigation through the vigorous prosecution of corporations that have committed securities fraud and boards of directors who have breached their fiduciary duties. We have served as Lead and Co-Lead Counsel in many precedent-setting litigations, recovered millions of dollars for shareholders via securities fraud lawsuits, and obtained fair value, multi-billion dollar settlements in merger transactions.

We also represent clients in high-stakes consumer class actions against some of the largest corporations in America. Our legal team has a long and successful track record of litigating high-stakes, resource-intensive cases and consistently achieving results for our clients.

Our attorneys are highly skilled and experienced in the field of securities class action litigation. They bring a vast breadth of knowledge and skill to the table and, as a result, are frequently appointed Lead Counsel in complex shareholder and consumer litigations in various jurisdictions. We are able to allocate substantial resources to each case, reviewing public documents, interviewing witnesses, and consulting with experts concerning issues particular to each case. Our attorneys are supported by exceptionally qualified professionals including financial experts, investigators, and administrative staff, as well as cutting-edge technology and e-discovery systems. Consequently, we are able to quickly mobilize and produce excellent litigation results. Our ability to try cases, and win them, results in substantially better recoveries than our peers.

We do not shy away from uphill battles – indeed, we routinely take on complex and challenging cases, and we prosecute them with integrity, determination, and professionalism.

“...a model for how [the] great legal profession should conduct itself.”

PRACTICE AREAS

Securities Fraud Class Actions

We prosecute claims on behalf of investors to recover losses suffered as a result of securities fraud, including the manipulation of a company's stock price by its executives, officers, directors, and advisors such as underwriters and accountants, through the issuance of false and misleading information. Our firm has been appointed Lead Counsel in numerous class actions filed in both federal and state courts across the country.

In *E-Trade Financial Corp. Securities Litigation*, No. 07-cv-8538 (S.D.N.Y. 2007), we were selected from a crowded field as Co-Lead Counsel for a landmark securities fraud class action that arose out of the mortgage crisis. Our successful prosecution of the case resulted in a \$79 million recovery for the shareholder class.

We have been appointed Lead or Co-Lead Counsel in the following securities class actions:

Derivative, Corporate Governance & Executive Compensation

We protect shareholders by enforcing the obligations of corporate fiduciaries. We are a leader in achieving important corporate governance reforms for the benefit of shareholders. Our efforts include the prosecution of derivative actions in courts around the country, making pre-litigation demands on corporate boards to investigate misconduct and taking remedial action for the benefit of shareholders. In situations where a company's board responds to a demand by commencing its own investigation, we frequently work with the board's counsel to assist with and monitor the investigation, ensuring that the investigation is thorough and conducted in an appropriate manner.

We also have successfully prosecuted derivative and class action cases to hold corporate executives and board members accountable for various abuses and to help preserve corporate assets through long-lasting and meaningful corporate governance changes, thus ensuring that prior misconduct does not reoccur. We have extensive experience challenging executive compensation, recapturing assets for the benefit of companies and their shareholders. In addition, we have secured corporate governance changes to ensure that executive compensation is consistent with shareholder-approved compensation plans, company performance, and federal securities laws.

In *MacCormack v. Groupon, Inc.*, C.A. No. 13-940-GMS (D. Del. 2013), we caused the cancellation of \$2.3 million worth of restricted stock units granted to a company executive in violation of a shareholder-approved plan, as well as the adoption of enhanced corporate governance procedures designed to ensure that the board of directors complies with the terms of the plan; we also obtained additional material disclosures to shareholders in connection with a shareholder vote on amendments to the plan.

In *Scherer v. Lu*, (Diodes Incorporated), No. 13-358-GMS, 2014 U.S. Dist. LEXIS 196440 (D. Del. 2014), we secured the cancellation of \$4.9 million worth of stock options granted to the company's CEO in violation of a shareholder-approved plan, and obtained additional disclosures to enable shareholders to cast a fully-

informed vote on the adoption of a new compensation plan at the company's annual meeting.

In **Edwards v. Benson**, (Headwaters Incorporated), (D. Utah 2014), we caused the cancellation of \$3.2 million worth of stock appreciation rights granted to the company's CEO in violation of a shareholder-approved plan and the adoption of enhanced corporate governance procedures designed to ensure that the board of directors complies with the terms of the plan.

In **Pfeiffer v. Begley**, (DeVry, Inc.), (Cir. Ct. DuPage Cty., Ill. 2012), we secured the cancellation of \$2.1 million worth of stock options granted to the company's CEO in 2008-2012 in violation of a shareholder-approved incentive plan.

In **Basch v. Healy** (D. Del. 2014), we obtained a cash payment to the company to compensate for equity awards issued to officers in violation of the company's compensation plan and caused significant changes in the company's compensation policies and procedures designed to ensure that future compensation decisions are made consistent with the company's plans, charters and policies. We also impacted the board's creation of a new compensation plan and obtained additional disclosures to stockholders concerning the board's administration of the company's plan and the excess compensation.

In **Pfeiffer v. Toll** (Toll Brothers Derivative Litigation), C.A. No. 4140-VCL (Del. Ch. 2010), we prevailed in defeating defendants' motion to dismiss in a case seeking disgorgement of profits that company insiders reaped through a pattern of insider-trading. After extensive discovery, we secured a settlement returning \$16.25 million in cash to the company, including a significant contribution from the individuals who traded on inside information.

In **Kleba v. Dees**, C.A. 3-1-13 (Tenn. Cir. Ct. Knox Cty. 2014), we recovered approximately \$9 million in excess compensation given to insiders and the cancellation of millions of shares of stock options issued in violation of a shareholder-approved compensation plan. In addition, we obtained the adoption of formal corporate governance procedures designed to ensure that future compensation decisions are made independently and consistent with the plan.

In **Lopez v. Nudelman**, (CTI BioPharma Corp.), 14-2-18941-9 SEA (Wash. Super. Ct. King Cnty. 2015), we recovered approximately \$3.5 million in excess compensation given to directors and obtained the adoption of a cap on director compensation, as well as other formal corporate governance procedures designed to implement best practices with regard to director and executive compensation.

In **In re i2 Technologies, Inc. Shareholder Litigation**, C.A. No. 4003-CC (Del. Ch. 2008), as Counsel for the Lead Plaintiff, we challenged the fairness of certain asset sales made by the company and secured a \$4 million recovery.

In **In re Activision, Inc. Shareholder Derivative Litigation**, No. 06-cv-04771-MRP (JTLX) (C.D. Cal. 2008), we were Co-Lead Counsel and challenged executive compensation related to the dating of options. This effort resulted in the recovery of more than \$24 million in excessive compensation and expenses, as well as the implementation of substantial corporate governance changes.

In **In re Corinthian Colleges, Inc. Shareholder Derivative Litigation**, 8:06cv777-AHS (C.D. Cal. 2006), we were Co-Lead Counsel and achieved a \$2 million benefit for the company, resulting in the re-pricing of executive stock options and the establishment of extensive corporate governance changes.

In **Pfeiffer v. Alpert (Beazer Homes Derivative Litigation)**, C.A. No. 10-cv-1063-PD (D. Del. 2010), we successfully challenged certain aspects of the company's executive compensation structure, ultimately forcing the company to improve its compensation practices.

In **In re Cincinnati Bell, Inc., Derivative Litigation**, Case No. A1105305 (Ohio, Hamilton Cty. 2012), we achieved significant corporate governance changes and enhancements related to the company's compensation policies and practices in order to better align executive compensation with company

performance. Reforms included the formation of an entirely independent compensation committee with staggered terms and term limits for service.

In *Woodford v. Mizel (M.D.C. Holdings, Inc.)*, 1:2011cv00879 (D. Del. 2012), we challenged excessive executive compensation, ultimately obtaining millions of dollars in reductions of that compensation, as well as corporate governance enhancements designed to implement best practices with regard to executive compensation and increased shareholder input.

In *Bader v. Goldman Sachs Group, Inc.*, No. 10-4364-cv, 2011 WL 6318037 (2d Cir. Dec. 19, 2011), we persuaded the Second Circuit Court of Appeals to reverse the District Court's dismissal of derivative claims seeking to recover excessive compensation granted to officers and directors of Goldman Sachs.

In *In re Google Inc. Class C Shareholder Litigation*, C.A. No. 7469-CS (Del. Ch. 2012), we challenged a stock recapitalization transaction to create a new class of nonvoting shares and strengthen the corporate control of the Google founders. We helped achieve an agreement that provided an adjustment payment to shareholders in the event of certain discounts in the price of Google stock, and provided enhanced board scrutiny of the Google founders' ability to transfer stock, including the implementation of a new procedure for a waiver or modification of the founders' Transfer Restriction Agreement.

Mergers & Acquisitions

We have achieved an impressive record in obtaining injunctive relief for shareholders and are one of the premier law firms engaged in mergers & acquisitions and takeover litigation, where we strive to maximize shareholder value. In these cases, we regularly fight to obtain settlements that enable the submission of competing buyout bid proposals, thereby increasing consideration for shareholders.

We have litigated landmark cases that have altered the landscape of mergers & acquisitions law and resulted in multi-million dollar awards to aggrieved shareholders.

In *In re Great Wolf Resorts, Inc. Shareholder Litigation*, C.A. No. 7328-VCN (Del. Ch. 2012), we achieved tremendous results for shareholders, including partial responsibility for a \$93 million (57%) increase in merger consideration and the waiver of several "don't-ask-don't-waive" standstill agreements that were restricting certain potential bidders from making a topping bid for the company.

In *In re CNX Gas Corp. Shareholder Litigation*, 4 A.3d 397 (Del. Ch. 2010), as Plaintiffs' Executive Committee Counsel, we obtained a landmark ruling from the Delaware Chancery Court that set forth a unified standard for assessing the rights of shareholders in the context of freeze-out transactions and ultimately led to a common fund recovery of over \$42.7 million for the company's shareholders.

In *In re Talecris Biotherapeutics Holdings Shareholder Litigation*, C.A. No. 5614-VCL (Del. Ch. 2010), we served as counsel for one of the Lead Plaintiffs, achieving a settlement that increased the merger consideration to Talecris shareholders by an additional 500,000 shares of the acquiring company's stock and providing shareholders with appraisal rights.

In *In re Minerva Group LP v. Mod-Pac Corp.*, Index No. 800621/2013 (N.Y. Sup. Ct. Erie Cty. 2013), we obtained a settlement in which defendants increased the price of an insider buyout from \$8.40 to \$9.25 per share, representing a recovery of \$2.4 million for shareholders.

In *Stephen J. Dannis v. J.D. Nichols*, C.A. No. 13-CI-00452 (Ky. Cir. Ct. Jefferson Cty. 2014), as Co-Lead Counsel, we obtained a 23% increase in the merger consideration (from \$7.50 to \$9.25 per unit) for shareholders of NTS Realty Holdings Limited Partnership. The total benefit of \$7.4 million was achieved after two years of hard-fought litigation, challenging the fairness of the going-private, squeeze-out merger by NTS's controlling unitholder and Chairman, Defendant Jack Nichols. The unitholders bringing the action alleged that Nichols' proposed transaction grossly undervalued NTS's units. The 23% increase in

LEVI&KORSINSKY LLP

consideration was a remarkable result given that on October 18, 2013, the Special Committee appointed by the Board of Directors had terminated the existing merger agreement with Nichols. Through counsel's tenacious efforts the transaction was resurrected and improved.

In *In re Craftmade International, Inc. Shareholders Litigation*, C.A. No. 6950-VCL (Del. Ch. 2011), we served as Co-Lead Counsel and successfully obtained an injunction requiring numerous corrective disclosures and a "Fort Howard" release announcing that the Craftmade Board of Directors was free to conduct discussions with any other potential bidders for the company.

In *Dias v. Purches*, C.A. No. 7199-VCG (Del. Ch. 2012), Vice Chancellor Sam Glasscock, III of the Delaware Chancery Court partially granted shareholders' motion for preliminary injunction and ordered that defendants correct a material misrepresentation in the proxy statement related to the acquisition of Parlux Fragrances, Inc. by Perfumania Holding, Inc.

In *Forgo v. Health Grades, Inc.*, C.A. No. 5716-VCS (Del. Ch. 2010), as Co-Lead Counsel, our attorneys established that defendants had likely breached their fiduciary duties to Health Grades' shareholders by failing to maximize value as required under *Revlon, Inc. v. MacAndrews & Forbes Holdings, Inc.*, 506 A.2d 173 (Del. 1986). We secured an agreement with defendants to take numerous steps to seek a superior offer for the company, including making key modifications to the merger agreement, creating an independent committee to evaluate potential offers, extending the tender offer period, and issuing a "Fort Howard" release affirmatively stating that the company would participate in good faith discussions with any party making a bona fide acquisition proposal.

"I think you've done a superb job and I really appreciate the way this case was handled."

The Honorable Ronald B. Rubin in *Teoh v. Ferrantino*, C.A. No. 356627
(Cir. Ct. for Montgomery Cnty., MD 2012)

In *Chen v. Howard-Anderson*, C.A. No 5878-VCL (Del. Ch. 2010), we represented shareholders in challenging the merger between Occam Networks, Inc. and Calix, Inc., obtaining a preliminary injunction against the merger after showing that the proxy statement by which the shareholders were solicited to vote for the merger was materially false and misleading. We then took the case to trial and recovered \$35 million for the shareholders.

In *In re Pamrapo Bancorp Shareholder Litigation*, Docket C-89-09 (N.J. Ch. Hudson Cty. 2011) & HUD-L-3608-12 (N.J. Law Div. Hudson Cty. 2015), we defeated defendants' motion to dismiss shareholders' class action claims for money damages and a motion for summary judgment, ultimately securing a settlement recovering \$1.95 million for the Class plus the Class's legal fees and expenses up to \$1 million (representing an increase in consideration of 15-23% for the members of the Class). The case stemmed from the sale of Pamrapo Bancorp to BCB Bancorp at an allegedly unfair price through an unfair process. In addition to obtaining this recovery, the Court also found that our efforts substantially benefited the shareholders by obtaining supplemental disclosures for shareholders ahead of the merger vote.

In *In re Complete Genomics, Inc. Shareholder Litigation*, C.A. No. 7888-VCL (Del. Ch. 2012), we obtained preliminary injunctions of corporate merger and acquisition transactions, and Plaintiffs successfully enjoined a "don't-ask-don't-waive" standstill agreement.

In *In re Integrated Silicon Solution, Inc. Stockholder Litigation*, Lead Case No. 115CV279142 (Super. Ct. Santa Clara, CA 2015), we won an injunction requiring corrective disclosures concerning "don't-ask-don't-waive" standstill agreements and certain financial advisor conflicts of interests, and contributed to the integrity of a post-agreement bidding contest that led to an increase in consideration from \$19.25 to \$23

per share, a bump of almost 25 percent.

In *In re Bluegreen Corp. Shareholder Litigation*, Case No. 502011CA018111 (Cir. Ct. for Palm Beach Cty., FL), as Co-Lead Counsel, we achieved a common fund recovery of \$36.5 million for minority shareholders in connection with a management-led buyout, increasing gross consideration to shareholders in connection with the transaction by 25% after three years of intense litigation.

Consumer Litigation

Levi & Korsinsky works hard to protect consumers by holding corporations accountable for defective products, false and misleading advertising, overcharging, and unfair or deceptive business practices.

Our litigation and class action expertise combined with our in-depth understanding of federal and state laws enables us to fight for consumers who purchased defective products, including automobiles, appliances, electronic goods, and home products, as well as consumers who were deceived by consumer service providers such as banks and insurance, credit card, or phone companies.

“The quality of the representation... has been extremely high, not just in terms of the favorable outcome in terms of the substance of the settlement, but in terms of the diligence and the hard work that has gone into producing that outcome.”

The Honorable Joseph F. Bianco, in *Landes v. Sony Mobile Communications*,
17-cv-02264-JFB-SIL (E.D.N.Y. Dec. 1, 2017)

In *NV Security, Inc. v. Fluke Networks*, Case No. CV05-4217 GW (SSx) (C.D. Cal. 2005), we negotiated a settlement on behalf of purchasers of Test Set telephones in an action alleging that the Test Sets contained a defective 3-volt battery. We benefited the consumer class by obtaining the following relief: free repair of the 3-volt battery, reimbursement for certain prior repair, an advisory concerning the 3-volt battery on the outside of packages of new Test Sets, an agreement that defendants would cease to market and/or sell certain Test Sets, and a 42-month warranty on the 3-volt battery contained in certain devices sold in the future.

In *Bustos v. Vonage America, Inc.*, Case No. 06 Civ. 2308 (HAA) (D.N.J. 2006), our firm achieved a common fund settlement of \$1.75 million on behalf of class members who purchased Vonage Fax Service in an action alleging that Vonage made false and misleading statements in the marketing, advertising, and sale of Vonage Fax Service by failing to inform consumers that the protocol Defendant used for the Vonage Fax Service was unreliable and unsuitable for facsimile communications.

In *Masterson v. Canon U.S.A.*, Case No. BC340740 (Cal. Super. Ct. L.A. Cty. 2006), we represented purchasers of Cannon SD Cameras in an action alleging that liquid crystal display (“LCD”) screens on Cannon SD Cameras cracked, broke, or otherwise malfunctioned, and obtained refunds for certain broken LCD repair charges and important changes to the product warranty.

Joseph E. Levi

Joseph E. Levi is a central figure in shaping and managing the Firm's securities litigation practice. Mr. Levi has been lead or co-lead in dozens of cases involving the enforcement of shareholder rights in the context of mergers & acquisitions and securities fraud. In addition to his involvement in class action litigation, he has represented numerous patent holders in enforcing their patent rights in areas including computer hardware, software, communications, and information processing, and has been instrumental in obtaining substantial awards and settlements.

Mr. Levi and the attorneys achieved success on behalf of the former shareholders of Occam Networks, Inc. in litigation challenging the Company's merger with Calix, Inc., obtaining a preliminary injunction against the merger due to material representations and omissions in the proxy statement by which the shareholders were solicited to vote. See **Chen v. Howard-Anderson**, No. 5878-VCL (Del. Ch. Jan. 24, 2011). Vigorous litigation efforts continued to trial, recovering \$35 million for the shareholders.

Another victory for Mr. Levi and the attorneys was in litigation challenging the acquisition of Health Grades, Inc. by affiliates of Vestar Capital Partners, L.P., where it was successfully demonstrated to the Delaware Court of Chancery that the defendants had likely breached their fiduciary duties to Health Grades' shareholders by failing to maximize value as required by **Revlon, Inc. v. MacAndrews & Forbes Holdings, Inc.**, 506 A.2d 173 (Del. 1986). See **Weigard v. Hicks**, No. 5732-VCS (Del. Ch. Sept. 3, 2010). This ruling was used to reach a favorable settlement in which defendants agreed to a host of measures designed to increase the likelihood of superior bid. Vice Chancellor Strine "applaud[ed]" the litigation team for their preparation and the extraordinary high-quality of the briefing. He and the attorneys also played a

Similarly, Mr. Enright served as Co-Lead Counsel in the case of **Berger v. Life Sciences Research, Inc.**, No. SOM-C-12006-09 (NJ Sup.
